We are wanting to name our Kiwi. Any ideas great fully accepted!!!!!!!. Thanks to Barry who did a remarkable job.

Visitor Feedback

The following is feedback from an Australian couple that recently visited and played at our course

*Hello and a huge thank-you to the Inglewood golf course,
We recently visited your beautiful course and wanted to thank you for the time we*

spent there. (it was your Christmas Raffle Day)

The President was extremely kind to us and told us to go play and another member went and got two trundles for us to borrow.

Even though the day was wet and we ended up soaked through, we had the course to ourselves and it was beautiful, the prettiest course we have played anywhere.

The stone bridge is definitely an attraction. Your greenkeeper definitely deserves a lot of praise.

We went into your clubrooms after our game and met 5 of your members.

A heartfelt thank you to Tank, Merv, Jacko, Macca and Fingers, who took time to make us feel welcome and made our day extremely enjoyable. They definitely made the day worthwhile.

We have been telling everyone about your club and the hospitality shown to us, it was definitely the friendliest club we visited while in New Zealand.

From the two Australians, once again thank you so much.

Broady (Tony) and Brenda
