Monthly Direct Debit

Members may choose to pay any membership subscription of \$190 or more by signing a direct debit authority. The establishment of the direct debit with the Inglewood Golf Club for new members requires a one off \$50 non-refundable deposit, payable in advance. Existing members may change over to direct debit at any time, but will be required to pay any dues in advance to bring them up to date with the next monthly due date. Any deposit will be credited towards your subscription and you will pay the balance in equal instalments for the remaining months in the playing year (Feb 01 to Jan 31 the following year).

Subscription payments will continue monthly thereafter until you resign from the club or elect to pay your outstanding subscription in full. Your monthly payment amount will be reassessed on 1 February each year to adjust for your next year's subscription rate.

A transaction charge of \$0.25 per monthly payment (\$3 per year) will be charged to cover our direct debit transaction fee.

Your monthly payment will be calculated as follows

$(\text{Subscription Cost} - \text{Deposit} + 3) / 12$, rounded up to whole cent.

e.g. Full Playing, $(535 - 50 + 3) / 12 = 40.666$, rounded up to whole cent is \$40.67 per month
