

## RULES OF PLAY

Teams may be men, women or mixed. Men blue tees (Slope: 103, CR 64.3), women yellow tees (Slope: 111, CR 67.5). Women add the 3 shots difference in the respective course ratings to their playing handicaps to a maximum of 36.

There will be no more than **eight** shots difference in playing handicaps between the two players. Handicaps will be added together and divided by three for the purpose of this tournament.

Each team will play the course to their best nett score in this manner:

1. Both players tee off on each hole.
2. The Pair will select the best ball and both players will play from that position. The chosen ball shall be marked and players may play in any order. All balls may be placed anywhere. All balls must be played from a position within 15 cm of the marker.
3. This format will continue until the ball is putted into the hole.
4. On the putting green the second ball shall be putted from exactly the same position as the original ball, and so on until holed.
5. The gross score achieved shall be entered on the card for each hole. The handicap (to one decimal place) will be deducted from the total gross score.
6. Local rules, as displayed on the day, will apply for the tournament.
7. The Tournament Committee reserves the right to amend any rules.
